SCHOLASTIC RECORD

Year	Degree	Instituions	Remarks
-	B.E (Computer Science Engineering)	Mahendra Institute of Technology, Namakkal	**9.3 (Upto 5th sem)**
2020	12th (Tamil Nadu State Board)	Sri Sarada Bala Mandir Hr Sec School, Salem	**64% Science**
2018	10th (Tamil Nadu State Board)	Little Flower Mat School, Salem	**94% Science**

PROJECTS

• **PROJECT 1 : JOBIFY** - JOB TRACKING WEB APPLICATION	
Techies	HTML , CSS, Java Script , Node Js , React Js , Express Js , MongoDB , JQuery
Description	• Application which streamlines the job search process by connecting job seekers with suitable employment • Users can create profiles highlighting their skills and preferences, while employers post job openings • Where I used React hooks , actions and loader for dynamic content transformation of the web application
